Kevin Distributing, Inc. located in Shelby Montana, is a full line distributor of polyurethane foam for insulation, as well as single & plural component spray equipment, parts and supporting service.

As a distributor of polyurethane foam and a variety of coating products manufactured by:

- ◆ Quadrant Urethane Technologies
- ◆ JM Johns Manville
- ◆ Premium Spray Products
- ◆ TPR2 (Thermal Product Research)
- ◆ International Fire Proof Technology (DC315)
- ◆ UTC—Urethane Technology Co.

We are constantly striving to provide our customers with the most advanced energy efficient & ecologically friendly products available. Several products are GreenGuard certified, a member of the US Green Building Council or Energy Star qualified.

We Distribute throughout the western United States and Canada, shipping directly from Montana to Wyoming, Idaho, Washington, North Dakota, and South Dakota.

We also offer superior technical support and unmatched customer service. We have 3 traveling service techs that can assist in the setup of our custom built rigs and help with any technical problems.
